

Driving to Maidencroft Farm

Leave the M25 at junction 12 and take the M3 west.

Leave the M3 at junction 8 and take the A 303.

From the A 303 take the Wincanton turn and head along the A371 for Castle Cary and Shepton Mallet.

Go through Castle Cary and past the Bath and West Showground.

Eventually turn off left at a very new roundabout to Pilton and Glastonbury, on the A 361. This continues on a road to the right, immediately after the roundabout.

Go through Pilton and West Penard and get to the Welcome to Glastonbury sign on your left. Not far after this, on the right, is a small turning to Wick.

Turn right and follow the lane, looking out for Middlewick Holiday Cottages on your left. Immediately after this, on the sharp right corner is the turn to Maidencroft Farm (next to a bungalow called Greenlands). Go up the drive and park in the main gravel car park.
